Portland Harbor FS Appendix D28 and 9 Text Clean.doc

I edited D10, and corrected some typos such as no spaces between words and extra paragraph marks in the others.

Kristine and Elizabeth.

Here is an updated Appendix D text for your review of D10 and any other subsection text you'd like to review one more time before we go final with this.

Attached is Appendix D. I have included both a clean and marked up version. During my write up of Appendix D11, I added a reference for the RI report as follows:

USEPA. 2016. Portland Harbor RI/FS. Final Remedial Investigation Report. February 8, 2016.

I am not sure of the date of the Reible reference. These are models downloaded from his website. Perhaps it should be the date they were downloaded (i.e., downloaded, 2015).

I took a final read through the document and cleaned up a handful of sentences.

Finally, I am attaching the new Appendix D10 rolling river mile figures for any necessary formatting.

Thanks Justin.

Eric: You have the ball. Go ahead and add D10 per Kristine's request and the D11 text she wanted as well.

Here's the master's copy of Appendix D. I didn't accept all the changes yet, in case others need to review other subsections. But I reviewed App D2 and made edits.

Hi Justin. Here is the revised appendix D text. I have made changes to Section D8 and added Section D11. You are now the owner of the master.
